

OUR

HIRING

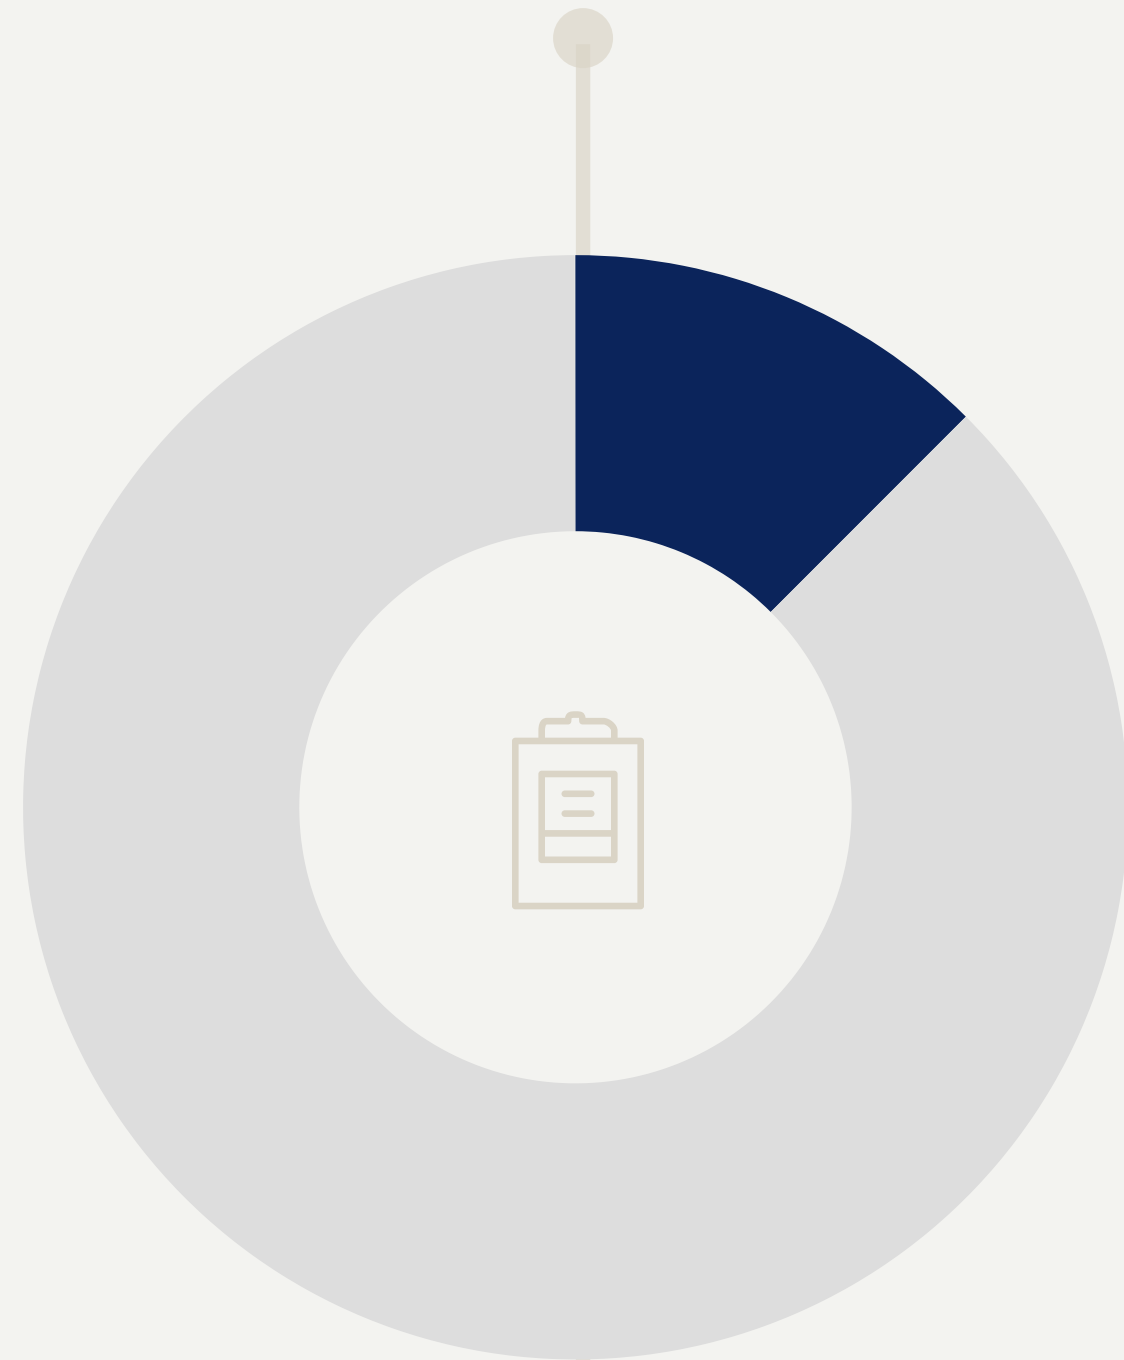

PROCESS

INTRODUCTION

Here are the steps you will take if you decide to join us. Those are to ensure not only you're the best fit for us, but also to know we are the best fit for you.

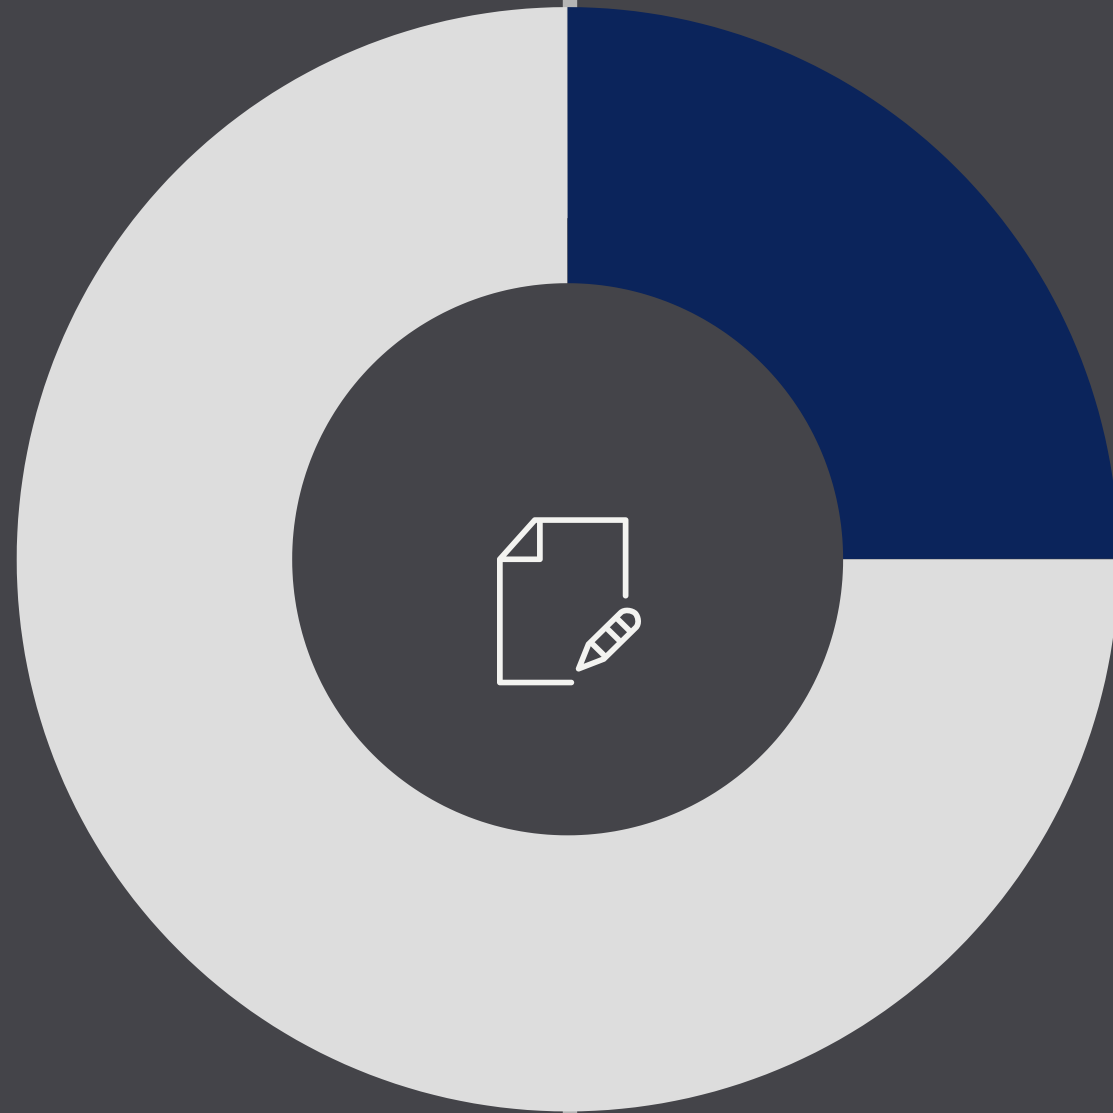

STEP 01

APPLICATION

This is the beginning of your journey. You apply via an [online form](#) where you need to attach your CV, cover letter, and answer a few questions related to the role.

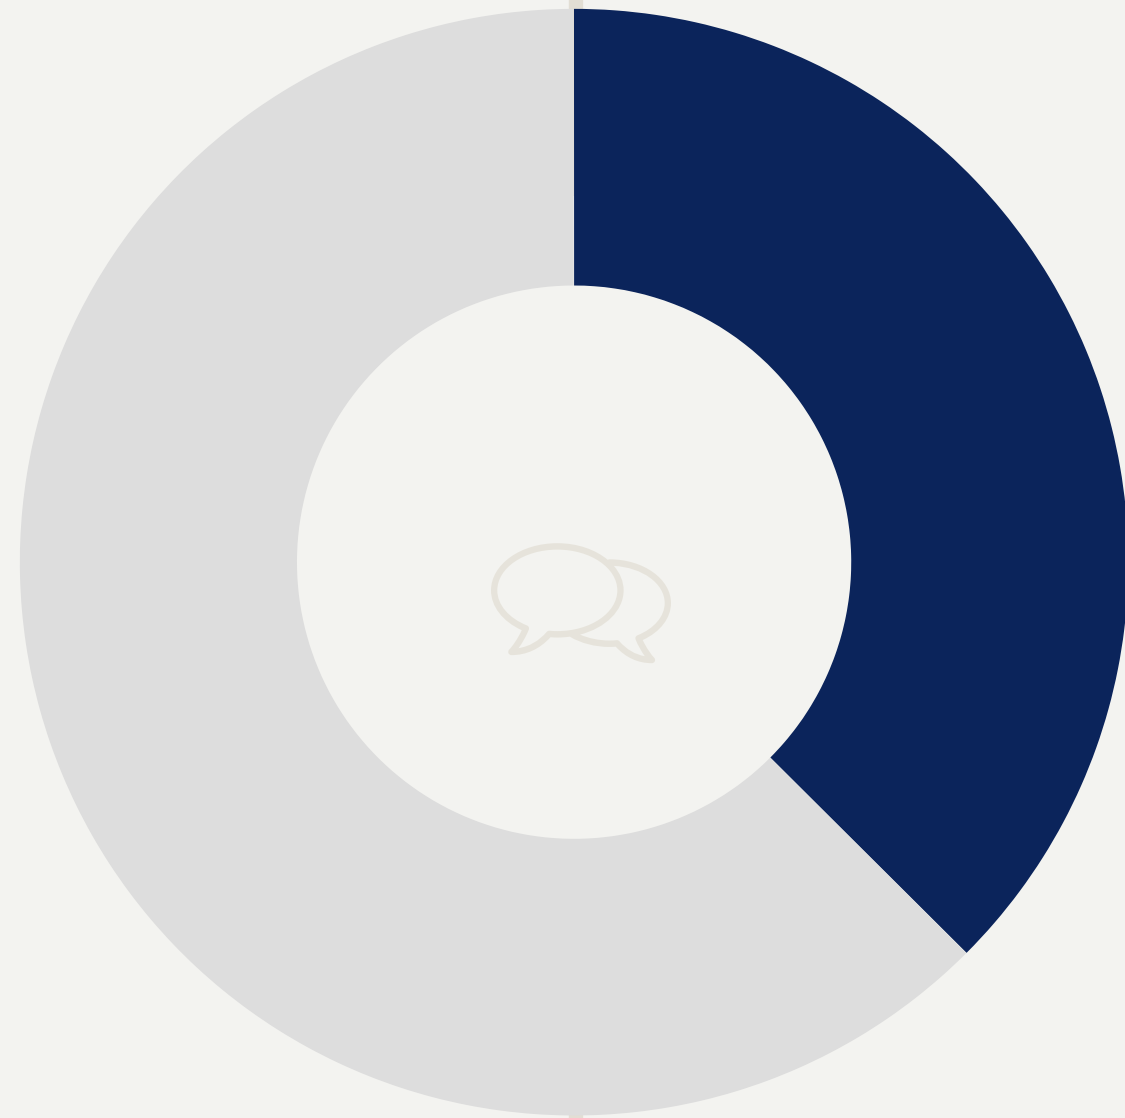

STEP 02

TEST

If you have passed the application phase, we will contact you and depending on the role, we will have an over the phone conversation just so we can get to know a bit more about you.

STEP 03

TECHNICAL INTERVIEW

At this time we want to meet you in person (or online!). We will schedule an **interview** with one of our recruiters.

STEP 04

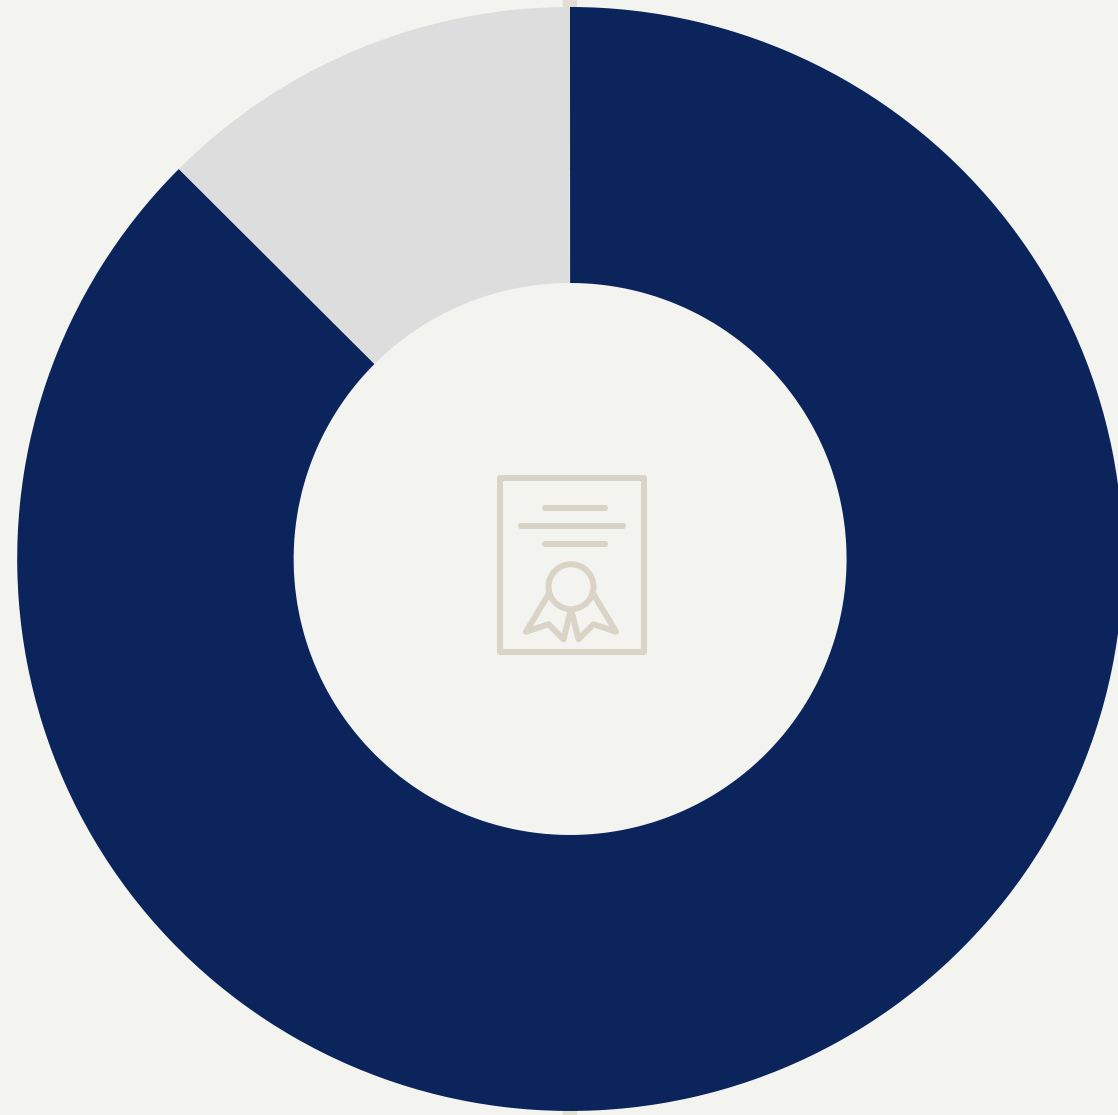

REFERENCE CHECK

If you find yourself here, the last step is to figure out the logistics and run some last checks. We will ask feedback from your former employers and team leader.

STEP 05

THE OFFER

This is the most exciting part!
The only details to figure out
are your starting date and other
logistics after which we will be
sending you an official offer.

STEP 06

OFFER ACCEPTANCE

Welcome to Holistic Recruiters! :)

Well Done!
